Tomasz OKONIEWSKI

JUDGE

POLAND

Tomasz Okoniewski - a historian, a journalist, a great enthusiast and promoter of photography which is his passion. His favourite subject is the landscape of neighbourhood and the reportage of daily life. In his opinion, photographing the landscape teaches him how to see the world in a different way, to look at things previously unnoticed. Painting views of morning light is one thing, but the most important subject will be the man and his/her emotions. Juror of national and international competitions. Tomasz's works are published in the local and national press as well as many album and occasional publications. His works have won prizes and awards in many national and international photographic competitions - a total of about 2000 awards. Author was awarded 33 times the title FIAP BEST AUTHOR. Tomasz is also the winner of prestigious competitions such as IPA, ND Awards, IPOTY, TIFA, FAPA, MIFA, BIFA, PX3 Paris, Mono Visions Photography Awards, Chromatic Awards, Monochrome Photography Awards, Photography Masterprize Award, London International Creative Competition and National Geographic - Poland. In total, his works have been awarded in 88 countries around the world. Individual exhibitions of works by Tomasz Okoniewski have been organised in many galleries and internationally presented in more than 102 countries. In 2016, the Minister of Culture and National Heritage awarded Tomasz Okoniewski with "The Badge of Honour - Meritorious for Polish Culture". In 2017, the author was honored with the Presidential Award of the City of Krosno for outstanding achievements in the field of culture. In 1918, the Photoclub of the Republic of Poland awarded the author the medal "For merits for Polish photography" on the 100th anniversary of regaining independence (1918- 2018).

Michael **STRAPEC**

JUDGE

EFIAP/s PPSA, AIPF
IRELAND

I was born in Dolný Kubín, Slovakia, but I have been living in Ireland since 2006. I'm a photographer with a passion for capturing people at their very best. Specializing in headshots, portraits, and creative fineart photography, I believe that every image should tell a story and reflect genuine personality and emotion.

Photography has always been more than just a profession for me; it's an art form that allows me to connect with people, preserve memories, and create images that feel timeless. Whether I'm highlighting the uniqueness of a portrait or portraying the professionalism of a headshot, my goal remains the same: to create natural, authentic, and beautifully crafted images that everyone will cherish.

For me, photography isn't just about taking pictures; it's about capturing moments that truly matter.

I was honored to be named the Irish Photographic Federation Photographer of the Year in 2020.
